ESCORTED PART OF THE WAY TO FRANCE

Another star was added to Tonopah's service flag this morning when Hartman E. Farley, of El Paso, Tex., entrained for Camp Bowie, near Fort Worth, Tex. Mrs. Howard Burr, who enlisted on June 8 for overseas nursing service, also left on this morning's train for Mare Island, Cal. Mrs. Burr is a graduate nurse of St. Mary's in San Francisco, but has not been nursing for several years.

A parade and a demonstration were held in honor of the departing Tonopahans. The county service flag, together with flags of three of the allies led the parade, while the Tonopah band followed them to the station. Members of the Red Cross, with the huge Red Cross flag at their head, took their places back of the band. The boy and girl scouts were the last organizations in the procession. The band played "The Star Spangled Banner" and a number of patriotic airs on the station platform. Cheers were given for Farley and Mrs. Burr. As the train pulled out of the station the mine whistles sent a screeching note which appeared to have a note of good luck to the departing citizen and a wall of sorrow for their departure.

THE KAISER'S FATE

Know, then man of haughty disposition, An hour is coming to end thy ambition; In a month, in a year, it might not be, Still more it might take to get there; Ever a decade though, will elapse, Remember, Gott, thy throne will collapse.

HUSTLING HEADQUARTERS TO KEEP UP WITH RAPIDLY ADVANCING ARMY

(Correspondence Associated Press) WITH THE AMERICAN ARMY IN FRANCE, Aug. 15.—The headquarters of the units of the American army in the Marne sector had to hustle to keep up with the American troops in the fighting when the Germans were hurled out of that

salient and across the Vesle river. In keeping contact with the enemy the American headquarters moved from one small town village to another. In most instances, the buildings or parts of buildings, had been occupied by German officers only a day or two before.

Previous to moving from one town to another telephone wires had to be strung, or laid, so that, while the divisional officers were in the actual process of moving, the two headquarters in the two villages were in communication with each other until the task was completed.

West End Outlines Its Dividend Plans

The West End Consolidated Mining company of Tonopah will issue a circular letter to its stockholders when notifying them of the dividend of 10 cents a share declared today. The circular letter will read substantially as follows: In declaring a dividend at this time, your board of directors carefully considered several matters of vital interest to the company. It will be recognized that during these abnormal times "business as usual" does not prevail and in administering the affairs of this corporation, conservatism so far as practicable should prevail. We do not know what the policy of the government will be in regard to taxes for the current year, nor do we know how the money received by the settlement of our suit against the Jim Butler Mining company will be treated in regard to taxation. It is also desirable to keep a liberal amount in reserve in order to be in position to pursue our heretofore established policy of expansion, especially as opportunities are more liable to present themselves at this time.

Funds will be required during the next year to develop valuable deposits at Searles Lake, Cal., recently acquired by this company on lease from the United States government on exceedingly favorable terms. The development of the Searles Lake properties is now going on. It is anticipated returns will be forthcoming within a year when potash, a very essential product in the prosecution of the war, as well as in normal times, will be placed on the market. The company has also acquired promising gold and silver mining properties in Honduras, Central America, which should be producing inside of a year. Our engineers are now on the ground commencing operations. The purchase price of these properties and the cost of installing necessary machinery to operate them involves considerable outlay. It is believed that the stockholders will approve the action of the board of directors in subscribing at least \$25,000 to the fourth Liberty loan. The company has already subscribed \$140,000 to the first three loans. It has been the endeavor in this communication to give a general idea of the manner the affairs of your company are being carried on to meet present conditions, as well as with a view to expansion and still larger profits in the future. The properties at Tonopah are in excellent condition and returns continue to meet expectations.

This dividend of 10 cents a share will make a total of 20 cents a share paid during the current year. When conditions become normal again and we are getting returns from properties now being developed, it is fair to assume even more liberal dividends will be available. In addition to the telephone and telegraph the wireless apparatus had been set up, carrier pigeons were ready to be taken to the front as another means of communication. Couriers on motorcycles were going and coming as if upon their speed rested the outcome of the war, and maps were on the walls within the house.

CANDIDATES ELECT THEIR COMMITTEES

Complying with the law governing party organizations the three parties represented on the ballot in Nye county met yesterday afternoon and elected the following central committees. The Republicans and Democrats also considered platforms but deferred final action until today when the committees will also elect chairmen. The county central committees are as follows: Republican—Tonopah: Hugh H. Brown, Mrs. James L. Hayward, J. Grant Crumley, William Boarath, W. W. Booth, H. D. King, Charles J. Enquist, Mrs. J. W. Stewart, Alex. P. McKenzie, Fred C. Niumis, Manhattan: P. O. Harris, N. K. Franklin, Mount Mountain: W. R. Gibson, Lone: R. C. Johnston, Duckwater and Currant: F. C. Vanover, Beatty: E. E. Palmer, Pioneer: L. F. Burrell, Democrats—Tonopah: Paul Revert, E. H. Addison, H. C. Schmidt, J. J. Degan, Mrs. James R. Blair, Mrs. Thomas Griffin, Mrs. J. A. McLaughlin, William Forman, Frank T. Dunn, Jack Burk, Branch H. Smith, Richard Finn, William Bradshaw, F. C. Flier, Manhattan: Mrs. J. E. Connor, J. C. Humphrey, Round Mountain: Ed. Welsh, Beatty: George Greenwood, Belmont: Mrs. Alex. Anderson, Lone: Cook Dieringer.

SOME WHISTLING FOR GOOD CAUSE

W. J. Tobin, the mine operator of the Pioneer district, was standing in front of the Mizpah hotel this morning when the mine sirens began blowing in celebration of the departure of a recruit and a local booster began to spring the big talk on the visitor by remarking: "Some whistling, isn't it, Bill?" "That may be all right for Tonopah," calmly rejoined the candidate for the assembly, "but, down in the southern end of Nye county we do things a little different. You see we are in a quiet country down there and, when there is any excuse for excitement we go the limit on noise. The last chance we had was last week when the draft registering was in progress. There were only three draft registrants and I was one of the registrars, so, when we got through I just gave the high sign and the Mayflower whistling began tooting and continued making a deafening clatter for exactly three hours. The Mayflower has some whistle I can assure you and the people down at Beatty thought there was a fire and started calling us up to ascertain what was the matter. Now, remember we whistled three hours or one hour for each of the registrants and I challenge Tonopah or any other place in Nevada to do better." Nobody took the deft and one of the next lawmakers from Nye county went off with the chip still clinging to his shoulder.

MISSOURI MULE FINDS OLD OWNER

KANSAS CITY, Sept. 15.—To nearly every U. S. fighter in France "Toho" is just an ornery old Missouri mule. But this doesn't apply to Private Victor Irminger of the marines, formerly a farmer near Avondale, Mo. Irminger was basking in the sun near an old stone wall in the war zone during a rest hour. His near slumber was disturbed by the terrible bray emanating from a noisy specimen of his home state's livestock. There could be no mistake. Irminger hurried to the other side of the wall and there discovered old Toho to whom he had said good-bye back on the farm. After Irminger's enlistment an army mule buyer spotted Toho and inducted him into military service. The story of how the marine and the mule discovered themselves both engaged in the business of hunting the Hun was set forth in a letter from Irminger to his relatives in Avondale.

MANAGER JULES SMITH of the Butler, accompanied by his wife, has returned from a business trip to the coast in which he took delivery of a Stutz 16-valve car of the latest model and rated at 40 horsepower with an actual capacity of nearly double that figure. The car is finished in dark grey suited to desert travel and is a very fetching machine.

AMUSEMENTS

DON'T MISS "TO HELL WITH THE KAISER"

"To Hell With the Kaiser!" This exclamation has been said, either silently or aloud, by patriotic Americans and lovers of decency everywhere. Everyone agrees that the monster of Europe is not fit to live anywhere else. But in this multiple-reel Screen Classics, Inc. feature, which is shown at the Butler today, the expression is taken literally. The Berlin beast is actually shown in the "hot place." How he gets there and what becomes of him after his arrival form an interesting part of this remarkable picture. It is only a part, however, mingled with events which have now become history are tender romance and vivid drama. A family of Americans living in Europe are among the leading characters, and are instrumental in bringing about the tremendous denouement. Allee Monroe demands dire penalty for the fate that overtakes her little sister at the hands of the dastardly crown prince. "To Hell With the Kaiser" is the greatest arraignment of Prussianism ever made. Don't miss it.

BIG TURNOUT FOR LIEUT. W. J. PIKE

Lieut. Walter J. Pike, until lately superintendent of the Barcelona mine, will leave tomorrow morning for his new quarters in Washington, where he has been assigned to the ordnance department. This will enable him to establish his home in the District of Columbia until such time as he may be sent abroad. Mrs. Pike will accompany her husband. Tonopah Lodge, B. P. O. E. No. 1062, will turn out in large numbers tomorrow to escort Lieutenant Pike to the train and the various patriotic organizations are urged to turn out and testify to the popular appreciation of the war activities of the departing citizen who has been identified with the vigilance league, the draft registration, Liberty Loans and other war activities.
